

S.P. ALUMINIUM & GLASS

Premium Aluminium & Glass Solutions

26+

Years of Experience

Who We Are

S.P. Aluminium & Glass is a leading fabrication company with over 26 years of industry experience. We deliver high-quality aluminium door and window systems, glass facades, and customised architectural solutions for residential and commercial projects. Our focus is on quality, precision, and timely delivery.

Modern, durable aluminium and glass systems crafted for homes, offices, and commercial spaces with precision and style. We specialise in a wide range of architectural aluminium and glass products designed to enhance aesthetics, safety and long-term performance.

Why Choose Us?

1. Expert fabrication with modern machinery
2. High-grade aluminium and glass materials
3. Custom designs to suit your specific needs
4. Durable and long-lasting installations
5. Professional execution and onsite support
6. On-time delivery with quality assurance

Mission:

To deliver high-quality aluminium and glass solutions that combine strength, functionality, and modern design, ensuring precision work and on-time project completion.

Vision:

To be a trusted leader in aluminium and glass fabrication, known for quality, innovation, and architectural excellence.

Values:

Quality workmanship, professionalism, integrity, and customer satisfaction—driven by commitment, reliability, and continuous improvement.
